Location: Deer Run Branch Library

With the disbanding of St. Peter's Gators team for this season, the Spend down will have to be reworked. Numbers will look differently than last month's report. Next month every team will get an updated invoice and it will include score cards and score sheets. The invoices will also show the updated fee of \$10 per swimmer.

IV. Old Business

- 1). Reminder that ribbons for Bogey and Timberwood still need to be picked up
- 2) Reminder that the "Meet Improvement Questionnaire" will be sent next week to each team.
- 3) Stroke Judge comments-

There seems to be opportunities in the last stroke judge session, because the DVD was not displayed. The course was done based on handprints. Next Stroke Judge Clinic is Wednesday June 1st at Renaud Spirit Center from 6 to 8 pm.

To follow up with:

- Amanda requested the official stroke judge link to be sent to her and she will send out to everyone.
- An updated league rep list will be sent along with agenda to everyone.

V. New Business

- 1) Teams picked up score sheets and heat cards after meeting.
- 2) Disbanding of St. Peters Gators for 2016 Season – Gators did not have enough enrollment this year. Gators team is hopeful that they can raise enough money in a couple of years in order to join the summer league again. The schedule for the Lewis division, will stay the same. Teams that were scheduled to have a swim meet against the Gators will miss out on a meet for that week during this 2016 season.
- 3) Roster deadline reminder- Rosters per team are due by June 10th. Per the bylaws the due date is three days before the first swim meet. The roster information needs to include names and age. The team is responsible to have this list at all times during each swim meet.

Next Swim League meeting will be held Wednesday June 22, 2016 - 7:00 PM at Mc Clay Branch Library:
Address is 2760 Mc Clay Road St. Charles, MO 63303
